

# THE GLENMOOR GAZETTE

YOUR GLENMOOR BOARD OF DIRECTORS AND COMMITTEE MEMBERS  
HOPE YOU FIND THE POT OF GOLD AT THE END OF YOUR VERY OWN RAINBOW!

## Glenmoor Community Reminders and News

- This month's Gazette focuses on community-wide activities and education.
- **OVERNIGHT STREET PARKING:** Ban ends Apr. 15!
- **Is anyone interested in holding a Glenmoor community garage sale in April?** If held, it would be scheduled the weekend just before Groot's FREE curbside Spring Clean-up so residents could easily donate or dispose of anything they could not sell. It will only happen if you express your interest to the Board and if volunteers step up to organize, advertise, and create signage. [GlenmoorHOA60102@gmail.com](mailto:GlenmoorHOA60102@gmail.com)
- **PLEASE!** Don't forget to return **your empty trash and recycling containers** to their discrete location by 11PM on garbage pick up day
- **DANGEROUS CURVE, SPEED, and PARKED CARS!** Parking cars on the inside of the tight curve on Redwood near Ivy limits visibility in both directions and creates a hazard, especially in winter conditions. Please avoid doing so if possible!

**Thank you!**

Drivers have been mindful of their speed.

**Your thoughtfulness is appreciated!**

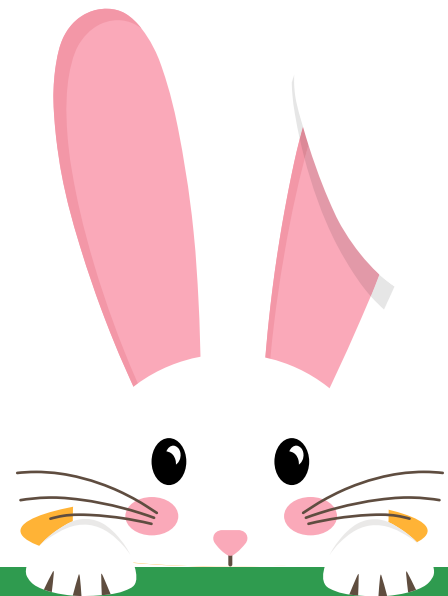

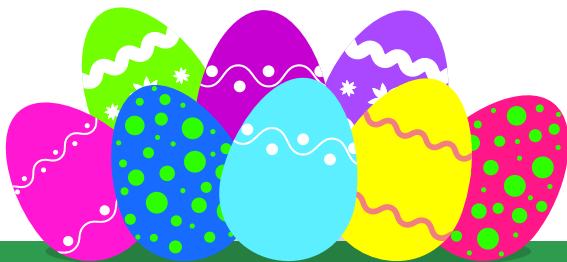

## NOTABLE DATES IN MARCH

### DID YOU KNOW?

#### MARCH WAS NAMED AFTER THE ROMAN GOD OF WAR, MARS

# Saving Seeds, Saving Money

It's 2/11/24, have you noticed the **Daffodils** popping up on IVY street?

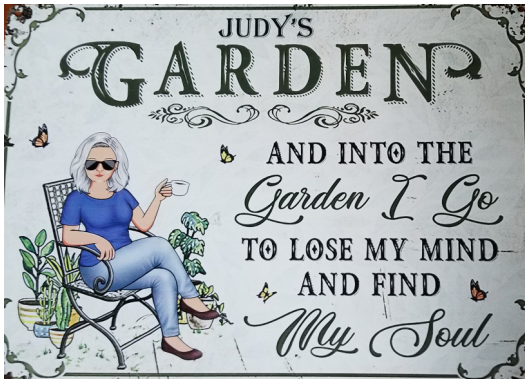

I was so excited that I walked around my house to see what was blooming. The **Hyacinths** that I planted in the Fall are popping up. I kept looking and found that my **Roses** were budding. It's very early! The last frost is usually around April 22nd.

2/2/24, the world's most famous groundhog, Punxsutawney Phil, didn't see his shadow Friday morning in Punxsutawney, Pennsylvania. That means an **early spring is on the way**, according to Groundhog Day lore.

One of the early bloomers, **Hyacinths**, produces flowers in March. Walk around your yard! You might be pleasantly surprised. It's early, but they should all be fine even if we get snow or it gets cold.

Walk around your yard or in the neighborhood. **Feel the Joy of Spring!** Hint: see Sedum and irises coming up on Periwinkle.
